TESTIMONIALS

"I recommend your SAT program to students who would like to get into a high ranking college."

Hillary M. , Parent

"Particularly because of the teachers, the SAT prep program at Ivy Test Prep has helped me grasp important concepts that I couldn't possibly go without when taking the SAT. Both the English and the mathematics teachers are encouraging and open to questions, and help to keep us driven in our studies."

Nestor C. , Student

"We were amazed to see our son's score 200 points higher than ever before."

Mike J., Parent

"I am writing this letter to tell you the difference the Ivy Test Prep SAT Prep program has made on my education. Every Saturday I learn helpful mathematics and literature skills. After the class is done I feel like I'm a step close to learning the SAT. I am pretty sure that my peers also agree with me. The classes are extremely helpful to our academic life."

Rosemary S., Student

"My daughter excelled in her math and verbal skills in a very short time."

Anna V. , Parent

"My child does not hate school work anymore. At the center, he became eager to participate in math activities."

Samira M. ,Parent

"Ivy tutors are sincere in teaching and they are putting serious effort to give my child study habit."

Zoe D., Parent
